General Competition Related Policies

- **Horses Always Have the Right of Way** – *BE ALERT* to ensure that you do not interfere with the competitors around the arenas or on course. Use caution when you are walking around the event grounds, particularly the cross-country course.
- **Crowd Control and Safety** – For your own safety, as well as the safety of the competitors, please pay attention to all crowd-control measures. Stay behind any marked barriers or ropes. You may cross the course at designated points, but be sure a horse is not coming and cross as quickly as possible. Fence Judges, Sector Stewards and Crossing Guards are official personnel—respond and obey to their instructions. However, do not hesitate to ask them questions about the cross-country phase. They will be happy to help you!
- **Assisting Riders** – Assistance to any competitor is not permitted, under penalty of the competitor's elimination. Any intervention by a third party, solicited or not, with the object of aiding the horse or instructing the competitor is considered illegal assistance.
- Respectful applause is always welcomed.
- Mobile phones must be turned off or silenced during competition.
- **Special Instructions for Dressage** – Dressage is the art of performing a specified series of technical movements within an arena. This requires concentration. Please take special care not to make any noise or sudden movements near the dressage area.
- **The Health/Welfare of the Horses** – After years of training and building a relationship of respect and trust, the rider's principal concern is the health, fitness, and

safety of the horse. It is common for a competitor to pull a horse from competition because of weather changes. The horse inspections and the ground jury also serve to vigilantly protect the horse's wellbeing

Dogs: Well behaved dogs are welcome at the event venue but must be kept on a leash at all times. Dogs are permitted in the infield but may not enter any seating or hospitality areas, with the exception of properly identified service animals. When considering whether or not to bring your canine companion, please remember that an event/competition environment can be crowded, loud, and high stress, especially for our four-legged friends. If you're at all concerned about how your dog will do in the presence of large crowds, children, other dogs, horses, loudspeaker systems, vehicles etc. then please consider leaving them at home. **You are responsible for picking up after your dogs and disposing of the waste properly.** Dogs MUST remain on leash at all times throughout the venue. There will be absolutely no exceptions to this Fair Hill Department of Natural Resources (FHDNR) rule. Owners of all dogs that are not properly leashed will be subject to removal and a \$50 fine. There will be no special parking concessions for vehicles containing dogs. Distressed dogs will be removed from vehicles, by whatever means necessary, by Animal Control, Event Management, and/or Event Officials.

Smoking and Vaping: Smoking and vaping are prohibited in all indoor and seating sections, competition areas including the entirety of the infield (including but not limited to the arenas, festival zone, hospitality areas, seating areas, and retail vendor areas) as well as the cross country courses, tailgating areas, and stable areas. Please use only event/venue designated smoking and vaping areas.
